

Agenda for the SE Centre Trials Combine meeting 24th October 2012
To be held at Blindley Heath following the AGM

- 1 Apologies for absence:
- 2 Minutes of last meeting 19th Oct 2011:
- 3 Matters arising from those minutes:
- 4 Review of any issues arising from SE Centre Championship trials 2012 & see 5 & 7 below:

Our aim is to provide riders with a championship that encompasses varying types of terrain with good and consistent standards in setting out the sections, the classes and the event administration.

- 5 Stewards in trials: have any issues required a Steward ?
- 6 Correspondence received:
- 7 Coloured riding numbers: no change to the current policy but some observers have commented this year that a number of riders cut down the front card, removing most of the coloured background making it difficult to identify the number and route to be ridden. Riders doing this are risking a 5 or 10 if observers are not able to read them before they ride off.
- 8 Trials Marking TSR22A & TSR22B proposals to update them for 2013:
- 9 Any other urgent business:
- 10 Date of next meeting: October 2013
